Where I Live

Mixtapes

I've never seen the Northern lights.
I've never seen the snow.
I've never walked across the ice.
I ignore the ocean's flow.
Where I'm born is where I'll die.
Where I live is where i cry.
My children left on a cold night.
My husband said it's how things go.
Like rabbits blinded by the light,
Kids want a better place to grow.

Where I'm born is where I'll die.
At night I shiver when I try
To forget that I never cheated
That I tried to be strong,
No matter how wise I was I feel wrong.
To forget that I never followed
That man that I adored,
Who promised me pretty sins and gold.

And I'm waiting for the sun...
And I'm waiting for the sun...

I will never be out of sight,
I'll never feel the snow..
I'll never reach the truth of lies,
I'm just watching my flowers grow.
Where I'm born is where I'll die
At night I can't sleep when I try,

To forget that I never cheated,
That I tried to be strong.
No matter how wise I was I feel wrong.
To forget that I never followed,
That man that I adored.
Who promied me pretty sins and gold.

And I'm waiting for the sun...
And I'm waiting for the sun...

To forget that I never cheated
When I tried to be strong
No matter how wise I was I feel wrong.
To forget that I never followed,
That man that I adored.
Who promised me pretty sins and gold.
And I'm waiting for the sun...
And I'm waiting for the sun...
