

# Be the One

Melanie C

The situation is getting boring, you're not gonna spoil another day  
I don't expect you to be calling, you're always gonna act that way  
You've said those lines so many times, I've heard it all before  
What makes you think that I will keep hanging 'round for more? If you wanna be the one, be the one who moves  
my Heaven and earth  
You wanna be the one, be the one who shares my hunger and thirst  
You see the other ones are hanging on, ooh, they've got nothing on you  
You wanna be the one, be the one, the only one You say you're hooked on me, but where were you last night?  
Because when you looked at me, yeah, you couldn't hold my eye  
Saying things you never mean, it's no big surprise  
Telling me that you're the one, I'm tired of the lies Be the one, be the one who moves my Heaven and earth  
You wanna be the one, be the one who shares my hunger and thirst  
You see the other ones are hanging on, ooh, they've got nothing on you  
You wanna be the one, be the one, the only one I've got no time for bitterness, I wanna move away from this  
I've found myself somebody, ooh ooh ooh Be the one, be the one who moves my Heaven and earth  
You wanna be the one, be the one who shares my hunger and thirst  
You see the other ones are hanging on, ooh, they've got nothing on you  
You wanna be the one, be the one, the only one I've got no time for bitterness, I wanna move away from this  
I've found myself somebody, ooh ooh ooh
