Know You in the Now

Michael Card

Echo of history
A light so many strain to see
The One we talk so much about
But rarely ever live it outCould You tell me why
Was it for this You came and died
A once a week observance
When we coldly mouth Your wordsLord I long to see
Your presence in reality
But I don't know how
Let me know You in the nowWe should confess
We lose You in our busyness
We've made You in our image
So our faith's idolatryLord, deliver me
Break my heart so I can see
All the ways You dwell in us
That You're alive in meLord I long to see
Your presence in reality
But I don't know how
Let me know You in the now
