

Know You in the Now

Michael Card

 Echo of history
 A light so many strain to see
 The One we talk so much about
 But rarely ever live it out Could You tell me why
 Was it for this You came and died
 A once a week observance
 When we coldly mouth Your words Lord I long to see
 Your presence in reality
 But I don't know how
 Let me know You in the now We should confess
 We lose You in our busyness
 We've made You in our image
 So our faith's idolatry Lord, deliver me
 Break my heart so I can see
 All the ways You dwell in us
 That You're alive in me Lord I long to see
 Your presence in reality
 But I don't know how
 Let me know You in the now
