Without Gravity (Album Version)

PlayRadioPlay!

The window pane
Is the only thing I see
When I look out the frost covered window
Youll come home, I know, I knowThat we could be happy
Lift up the hood, or maybe you have a flat
'Cause you should have been here by now
By nowWe could be happy with the finest wine
Ill sing to you all of the time
Flies by and fly away, and fly away
GoodbyeOoh, in the vacuums of space
These feelings are erased
Ooh, without gravityOoh, in the vacuums of space
These feelings are erased
Ooh, without gravityOoh, in the vacuums of space
These feelings are erased
Ooh, without gravityI've got a twenty dollar bill
Pin-back album and some pills
Want to watch me get high?
Want to watch me get high?When I am done I will descend
But for now I'm spaced and back again
Want to watch me get high?
Want to watch me get high?Ooh, in the vacuums of space
These feelings are erased
Ooh, without gravityOoh, in the vacuums of space
These feelings are erased
Ooh, without gravityOoh, in the depths of London
I'm searching for a sign
'Cause I'd like to
Free myself of contemplationOoh, in the vacuums of space
These feelings are erased
Ooh, without gravityOoh, in the vacuums of space
These feelings are erased
Ooh, without gravity
