Lady Double Dealer

Glenn Hughes

Get outta my way
I'm gettin' tired of you
There ain't no chance
Doin' what you wanna do
I've been down, down, down, down, down
Got to get my feet back on the groundLady double dealer
Get outta my way
Lady double dealer
You got nothing to sayI ain't satisfied
Dealin' with second hand goods
You wanted somethin' for nothin'
Taking everything you could
You been 'round - I got the news
But you ain't waitin' 'round for me to loseLady double dealer
Get outta my way
Lady double dealer
You got nothing to sayI gave love to you
Did what you wanted me to
But all you did was bring me down
So I just had to try
Try to reason why
You took advantage of my loveTwo timin' woman
Tryin' to take me for a ride
You're a hard lover, honey
But you sure don't keep me satisfied
I wanna be thereTo try to make you see
There ain't no woman gonna
Make a fool outta me
