

# Lady Double Dealer

## Glenn Hughes

Get outta my way  
I'm gettin' tired of you  
There ain't no chance  
Doin' what you wanna do  
I've been down, down, down, down, down  
Got to get my feet back on the groundLady double dealer  
Get outta my way  
Lady double dealer  
You got nothing to sayI ain't satisfied  
Dealin' with second hand goods  
You wanted somethin' for nothin'  
Taking everything you could  
You been 'round - I got the news  
But you ain't waitin' 'round for me to loseLady double dealer  
Get outta my way  
Lady double dealer  
You got nothing to sayI gave love to you  
Did what you wanted me to  
But all you did was bring me down  
So I just had to try  
Try to reason why  
You took advantage of my loveTwo timin' woman  
Tryin' to take me for a ride  
You're a hard lover, honey  
But you sure don't keep me satisfied  
I wanna be thereTo try to make you see  
There ain't no woman gonna  
Make a fool outta me
