# Nothin' On You

## Hollyn

When we are together we pop off like 4th of July
If we were apart, I still could still see the lights in the sky
Oh, I've been around and around the world
I never found anything better
Cause they ain't got nothin' on you

I been kickin' it with you since back in Pre-K
And 'til now you always stayed with me
Everyday with me
Now I'm sittin' in the studio writin' to the track
And it's a throwback, thinkin' back 'bout your love for me
Why would I ever leave you?
I don't care what they say
Cause they gon' talk anyway
I don't care what they do
Cause they ain't got nothin' on
You got, you got that somethin' I'm wantin', I crave
Drivin' me insane, a place so amazin'
And people keep sayin' I'm crazy
But they ain't got nothin' on you

When we are together we pop off like 4th of July
If we were apart, I still could still see the lights in the sky
Oh, I've been around and around the world
I never found anything better

Cause they ain't got nothin' on you, you, you
Tell 'em pull in to the side
Ain't got nothin' on you, you, you
Ain't nothin' better than you, you, you
Tell 'em give that a rest
Cause they ain't got nothin' on you, you, you
They ain't got nothin' on...

Might have a million dollars in the bank
Thirty cars with the yacht on the lake
Just cause you got it don't mean you gotta flaunt it
He's the one who paid the price, yeah, He got it
Ain't nobody, ain't nobody gonna take it away
You're love is here to stay

Ain't nobody, ain't nobody gonna take me away

Cause they ain't got nothin' on you
You ain't gotta love me, but you do

When we are together we pop off like 4th of July
If we were apart, I still could still see the lights in the sky
Oh, I've been around and around the world
I never found anything better

Cause they ain't got nothin' on you, you, you
Tell 'em pull in to the side
Ain't got nothin' on you, you, you
Ain't nothin' better than you, you, you
Tell 'em give that a rest
Cause they ain't got nothin' on you, you, you
They ain't got nothin' on...

You got, you got that somethin' I'm wantin', I crave
Drivin' me sane, a place so amazin'
And people keep sayin' I'm crazy
But they ain't got nothin' on...
They got nothin' on you, hey, nothin' on you
They ain't got nothin' on...
They got nothin' on you, they got nothin' on you
They ain't got nothin' on you
