

# Time For Change

## Pink Industry

I heard some kids telling me  
How they've lost all the faith in the way  
They've been talking world peace  
And the wars in the streets

(Pre Chorus)  
The lines on their faces so deep  
A revolution or reach out  
And touch the day  
We're overdue child

(Chorus)  
Change  
Now it's time for change  
Nothing stays the same  
Now it's time for change

I feel the the future in the hands  
Of our youth will be safe  
No more lies  
Old, tired fools tell our future  
With tarot cards, and lie of crime

(Pre-Chorus)  
(Chorus)

I'll change  
I'll change  
Not tomorrow but today

(Chorus)
