Jasmine Hoop

Kathryn Williams

Window light shines through the leaves of my plant
And a jasmine hoop swings on the highest branch
We took cheap shots at each other on the phone
But it was my last chance before you were goneYou stand there ignoring all my friends
'Cause you said I'm all you can standI'm going to tell you half the story so you'll come back
I'm going to tell you half the answers so if you get one
Won't expect it, don't expect it dearI'm nobody's fool
I'm nobody's fool
I'm nobody's foolYou stand there ignoring all my friends
'Cause you said I'm all you can standI'm going to tell you half the story so you'll come back
I'm going to tell you half the answers so if you get one
Won't expect it, don't expect it dear'Cause you said I'm all you can stand
