Collide

Howie Day

The dawn is breaking
A light shining through
You're barely waking
And I'm tangled up in you, yeahI'm open, you're closed
Where I follow, you'll go
I worry I won't see your face
Light up againEven the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find you and I collideDo do do do do x4I'm quiet you know
You make a first impression
I've found I'm scared to know
I'm always on your mindEven the best fall down sometimes
Even the stars refuse to shine
Out of the back you fall in time
I somehow find you and I collideDo do do do do x4Don't stop here
I lost my place
I'm close behindEven the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills your mind
You finally find you and I collideDo do do do do x2You finally find you and I collideDo do do do do x2You finally find you and I collide
