

# Ooh Baby

Ciara

Every time I look up  
He be slidin' through in the F150 pickup  
On them things shinin' with the crazy bangin' system  
Laid back reclinin' with his arm up out the window like oh  
Every time he calls I pick up  
When he doesn't I be quick to double check my signal  
Hold it out the window and pull up my antenna  
I'm so gone gotta hit em, I'm infatuated wit em  
And ooh I never felt this before

[Chorus]  
Oh oh baby  
Oh oh baby  
Don't know what to do wit you baby  
You just got me actin' so crazy  
And I think this could be love  
This could be love  
Oh oh baby  
Oh oh baby  
I just can't say no to you baby  
Whatever you want I'm so gone I can't think  
And I think it might be love  
This could be love

Say baby you're like  
Part of the couple I've been missin' all of my life  
You're like a brother but my lover you my get right  
I'm like an addict gotta have it  
When I go my body goes uh oh, oh no  
See you give me such a good vibe  
When the drama sittin' ridin' on the be ride

I'll still be wit ya even if ya pockets ain't tight  
I may be young but I know love and you're the one  
And boy you really got me feelin' so right

[Chorus]  
Oh oh baby  
Oh baby baby

Got me actin' up  
I'm diggin' on you  
I don't know what to do  
Oh baby  
Oh baby baby  
Got me actin' up  
Don't know what to do, you got me so in love  
Cause I'm diggn' on you  
I'm so in love

[Chorus: x2]
