Well, its trapped up inside you
Theres no peace, theres no hope
When its trapped up inside youWell, come this way
 Come this way now
 Your position is weakening
Your position is goneWell, it doesnt even matter
 What youre thinking
It doesnt matter at allWhen, its trapped up inside you
 Theres no peace, theres no hope
When its trapped up inside youWell, come this way
 Come this way now
 Your opinions are changing
Your opinions not sound, noIt doesnt even matter
 What the truth is
All that matter is nowWhen, its trapped up inside you
 Theres no peace, theres no hope
When its trapped up inside youWell, come this way
 Come this way, now
 Youre selling yourself, youre cold
Youre selling yourself at 27 years oldWell, its trapped up inside you
 Theres no peace, theres no hope
 When its trapped up inside you
Theres no peace, theres no hopeWell, come this way
 Come this way now
 Youre selling yourself, youre cold
 Youre selling yourself at 27
