Breakthru

Jib Kidder

When love breaks up
When the dawn light wakes up
A new life is born
Somehow I have to make this final breakthrough
Now

I wake up
Feel just fine
Your face
Fills my mind
I get religion quick
Cause you're looking divine
Honey, you're touching something; you're touching me
I'm under your thumb, under your spell, can't you see?

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough, oh yeah

Break through these barriers of pain
Break through to the sunshine from the rain
Make my feelings known towards you
Turn my heart inside and out for you now
Somehow I have to make this final breakthrough
Now!

Your smile speaks books to me
I break up
With each and every one of your looks at me
Honey, you're starting something deep inside of me
Honey, you're sparking something this fire in me
I'm outta control
I want to rush headlong into this ecstasy

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough
Oh yeah
Breakthrough, breakthrough

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough

Breakthrough
