

# Breakthru

## Jib Kidder

When love breaks up  
When the dawn light wakes up  
A new life is born  
Somehow I have to make this final breakthrough  
Now

I wake up  
Feel just fine  
Your face  
Fills my mind  
I get religion quick  
Cause you're looking divine  
Honey, you're touching something; you're touching me  
I'm under your thumb, under your spell, can't you see?

If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough, oh yeah

Break through these barriers of pain  
Break through to the sunshine from the rain  
Make my feelings known towards you  
Turn my heart inside and out for you now  
Somehow I have to make this final breakthrough  
Now!

Your smile speaks books to me  
I break up  
With each and every one of your looks at me  
Honey, you're starting something deep inside of me  
Honey, you're sparking something this fire in me  
I'm outta control  
I want to rush headlong into this ecstasy

If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough

If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough  
Oh yeah  
Breakthrough, breakthrough

If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough

If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough

Breakthrough
