Gettin out
Gettin out
Gettin out (x3)To know, to know, to know, to know to get straight
I could doubt, I wish I was a baby [?]
Without a doubt, to know, to know without doubt
Now to know and then no one dividing
Listen now, divulge without, to know
To know, to know, to know without doubt
To know, won
Get straight out, wonWhy won't you be the one
Why won't you be the one
Why won't you be the oneGettin out
Gettin out
Gettin outWon
Get straight out, won
I
Get straight out to know, to know, to knowWhy, why, why?
To know, to know, to know, to know won
To know, to know, to know, to know won[get out, get out now]
Why won't you be the one
Why won't you be the one
Why won't you be the oneI don't know why
If I could die, I wish I could cry
I
If I could then see what you want me to dearKeep your eyes all, I'm falling on
Get out, get out, get out, get out, get out, get out, get out, get out, get out, get outI think if I could break up with this feeling
It's nothing that I can't realize
I don't know why you seee me my baby
I don't know why you see me my babyGet straight, get out, won't you be the one
Get straight out, won't you be the one
Get straight out, to know, to know, to knowTo know, to know, to know, to know,Gettin out
Gettin out
Gettin out
Gettin outWhy won't you be the one
Gettin out
Why won't you be the one
Why won't you be the one
Gettin out

Why won't you be the oneWhy won't you be the one
Why won't you be the one
