Truth

Alexander

Truth
The truth is that I haven't shook my shadow
And everyday it's trying to trick me into doing battle
Calling out "faker" only get me rattled
Want to pull me back behind the fence with the [cattle]
Building your [lenses]
Digging your trenches
Put me on the front line
Leave me with a dumb mind
With no defenses
But your defenses
If you can't stand to feel the pain then you are senseless
[Since] this
I've grown up some
Different kind of fighter
And when the darkness come let it inside you
Your darkness is shining
My darkness is shining
Have faith in myself
Truth
I seen a million numbered doors on the horizon
Now which is the future you choosin' before you go dying
I'll tell you 'bout a secret I've been undermining
Every little lie in this world come from dividing
Say you're my lover, say you're my homie,
Tilt my chin back slit my throat take a bath in my blood get to know me
All out of my secrets
All my enemies are turning into my teachers.
Because, lights blinding, no way dividing what's yours or mine when everything's shining
You darkness is shining
My darkness is shining
Have faith in ourselves
Truth
Yeah
Yes I'm only loving, only trying to only love
And that's a-what I'm trying to do is only loving
Yes I'm only loving, trying to only love
That's what I gotta only try to do to love and
Yes I'm only lonely loving

Yes I'm only feeling lonely loving only loving
You say it ain't loving ain't loving ain't loving my loving
But I'm only loving through only loving
Swear to God I'm only loving
It's time to only love and only love and only love and only love and only love and only love
Yes I'm only loving just trying to only love
And with love trying hard to only love and
You say it ain't loving ain't loving ain't loving ain't loving ain't loving my loving
But I'm only loving only loving only loving
Only loving the truth
