

Too Much Aint Enough Love (with Jimmy Barnes)

Joe Bonamassa

You walked in my life
But made me smile
How could I have known
Hunger locked in time
We control the fame
But we can't control the flame
And I just can't wait to feel the heat again
In the middle of the night She cry too much ain't enough love
To satisfy me, yeah
I said too much ain't enough love to satisfy me Well it just seems like yesterday
I was running alone
And I turn my back home love
But baby I was wrong
Do I miss your touch or tell myself on the line
Then I can't get enough when I'm lying by your side In the middle of the night
She cry too much ain't enough love
To satisfy me, yeah
Too much love ain't enough to satisfy me
I gotta burn his heart baby Do I miss your touch or tell myself a lie
And I can't get enough when I'm by your side
In the middle of the night She cry too much ain't enough love to satisfy me, yeah
I said too much ain't enough love to satisfy me
I gotta burn it hard baby
Too much ain't enough love to satisfy me, yeah
Where there's smoke, there's fire baby
Too much ain't enough love to satisfy me hey I said too much, ain't enough yeah, to satisfy me
I said too much
I said too much
Too much, I said too much They will smile baby
You want too much
With an angel smile
I know baby
I hunger like
I said too much ain't enough
Too much ain't enough love to satisfy me
