Dark Blue

Cabala

I have, I have you breathing down my neck
Breathing down my neck
I don't, don't know what you could
Possibly expect under this condition
So I'll wait, I'll wait
For the ambulance to come, ambulance to come
Pick us up off the floor
What did you possibly expect
Under this condition, so slow down
This night's a perfect shade of
Dark blue, dark blue, have you
Ever been alone in a crowded room?
Well, I'm here with you, I said
The world could be burning and burning down
Dark blue, dark blue, have you
Ever been alone in a crowded room?
Well, I'm here with you, I said
The world could be burning
'Til there's nothing but dark blue
Just dark blue
And this flood, this flood
Is slowly rising up, swallowing the ground
Beneath my feet, tell me
How anybody thinks under this condition
So, I'll swim, I'll swim
As the water rises up, sun is sinking down
And now all I can see are the planets in a row
Suggesting it's best that I slow down
This night's a perfect shade of
Dark blue, dark blue, have you
Ever been alone in a crowded room?
Well, I'm here with you, I said
The world could be burning and burning down
Dark blue, dark blue
Have you ever been alone in a crowded room?
Well, I'm here with you, I said
The world could be burning dark blue
We were boxing, we were boxing the stars
We were boxing, you were swinging from Mars

And then the water reached the west coast
And took the power lines, the power lines
And it was me and you
And the whole town underwater
There was nothing we could do
It was dark blue
Dark blue, dark blue, have you
Ever been alone in a crowded room?
Well, I'm here with you, I said
The world could be burning and burning down
Dark blue
Have you ever been alone in a crowded room?
Well, I'm here with you, I said
The world could be burning
Now there's nothing but dark blue
If you've ever been alone
You'll know dark blue
If you've ever been alone
You'll know, you'll know
