

# You're the Reason I'm Living

Elvis Presley

You're the reason I'm livin'  
You're the breath that I take  
You're the stars in my heaven  
You're the sun when I wake You're the reason I'm livin'  
Oh, you carry me through  
All of life's little burdens  
I'd be lost without you A long, long time ago  
When I was down  
Oh, you picked me up and showed me  
True love still could be found You're the reason I do things  
You're the things that I do  
You're the reason I'm livin'  
I'd be lost without you Come and tell me again..... You're The Reason I'm Livin'  
Oh, you carry me through  
All of life's little burdens  
I'd be lost without you.
