

Chris Chambers (B-side to Traffic)

Stereophonics

It sickens me to see
Photograph in front of me, carnation-colored pink
Stand aside and take a drink
Night club, another scene, 31st, it's Halloween
Slave to each new trend, uptown junkies, push again
The lovers and the wannabes
(They don't know how)
The radio's and TV's
(They don't know how)
Newspaper story reads
(They don't know how)
Cheap girl magazine
(They don't know how)
Stand aside and cry, never wonder why
Ask themselves why, the river has dried
Laughter after after three, shaped up to be free
Number one the most missed chart
Must have broke a thousand hearts
Parallel with the scene, tarnished star evergreen
Live life disguised
The lovers and the wannabes
(They don't know how)
The radio and TV
(They don't know how)
Newspaper story reads
(They don't know how)
Cheap girl magazine
(They don't know how)
Stand around and cry, never wonder why
Ask themselves why, the river has dried
