Candles

We Shot The Moon

I'll blow the candles out
Wish for a different life.
We'll say familiar words(?)
And feel the weight of time.
Lay your body, down to rest.
And blow the candles out
Wish for a different life.
Keep on crawlin'.
Here's to another year
That came and passed on by.
And let you drown in fear
Because your wings wouldn't fly.
It's closing fast, It's closing fast.
Here's to another year
And to the same old fear.
But you were my sunshine.

You are my sunshine.
You are my sunshine, it's so good to see you.
Keep on crawlin'.
Keep on crawlin'.
Blow the candles out
Wish for a different life.
I'll blow the candles out
Wish for a different life.
But you are my sunshine.
You are my sunshine.
You are my sunshine, it's so good to see you.
You make it alright
Cause you are my sunshine.
You are my sunshine, it's so good to see you.
Keep on crawlin'.
Keep on crawlin'.
