

Nymphetamine

Brainfeeder

Led to the river
Midsummer I wave
A 'V' of black swans
On with hope to the graveAnd through red September
When skies fire-paved
I begged you appear
Like a thorn for the holy onesCold was my soul
Untold was the pain
I faced, when you left me
A rose in the rainSo I swore to the razor
That never, enchain'd
Would your dark nails of faith
Be pushed through my veins againBared on your tomb
I am a prayer for your loneliness
And would you ever soon
Come above unto me?For once upon a time
From the binds of your loneliness
I could always find
The right slot for your sacred keySix feet deep is the incision
In my heart that barless prison
Discolors all with tunnel vision
Sunsetter, nymphetamineSick and weak from my condition
This lust, this vampiric addiction
To her alone in full submission
None better, nymphetamineNymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine girlWracked with your charm, I'm circled like prey
Back in the forest where whispers persuade
More sugar trails, more white lady laid
Than pillars of saltFall to my arms
Hold their mesmeric sway
And dance out to the moon
As we did in those golden daysChristening stars
I remember the way
We were needle and spoon
Mislaid in the burning hayBared on your tomb
I am a prayer for your loneliness
And would you ever soon

Come above unto me?For once upon a time
From the bind of your holiness
I could always find
The right slot for your sacred keySix feet deep is the incision
In my heart that barless prison
Discolors all with tunnel vision
Sunsetter, nymphetamineSick and weak from my condition
This lust, this vampiric addiction
To her alone in full submission
None better, nymphetamineSunsetter, nymphetamine
None better, nymphetamineNymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine girl
