I'm Going Down

Kim Richey

I'm going down where I can be alone
All the way I'm sinking like a stone
I've heard enough from the people in this town
I'm going down, I'm going down, I'm going down!I know a place where the weeds grow tall and green back in the woods,
Down by a little string runs clean and cold
I'm gonna wash away this frown
I'm going down, I'm going down, I'm going down!Chorus: (x2)
So don't you worry,
Don't you worry about me!
All in good the time
All in good time I'll be
I'll be going down!
In the early morning there
A missing peace
I know I'll find it there!
Get myself right,
Lay my burden on the ground
I'm going down, I'm going down!
I'm going down, I'm going down!
I'm going down, I'm going down!
