

Space Diva

Luscious Jackson

She got unlimited missions, supernatural visions
Super lunar ambitions, extreme expeditions
I got all my own reasons and I've only just begun
I can't live inside of fear, not in my space age
All the divas are doin' it, all the divas are doin' it
All the divas are doin' it, all the divas are doin' it
Somebody said something, they said, "Never be too good"
'Cause that would be too much, yeah, that would be too much
Well, the jaws of life will decide, will you?
All the divas are doin' it, all the divas are doin' it
All the divas are doin' it, all the divas are doin' it
All the divas are doin' it, all the divas are doin' it
Space Diva, I'm a believer
Space Diva, be a believer
I dare you, I dare you
I dare you, I dare you, I do
Well, I need some diva, some divine diva
To wake up and wander, to walk like a soldier
'Cause I need to fly sometime with all due respect to you
All the divas are doin' it, all the divas are doin' it
All the divas are doin' it, all the divas are doin' it
All the divas are doin' it, all the divas are doin' it
