Simple life

Carolina Liar

An everlasting cigarette and that's all you want
Waiting for a bus to take you back home
Cause Tuesday came too soon, Wednesday left you feeling used
Oh tomorrow, at least you hope it's warmDon't you want to live a simple life?
You pray for a change before you turn out the lights
Your burn a bridge every time it feels right
Oh you don't want to forget where you're fromSo tired of feeling cheap, you're always in need
Innocent, at least that's what you think
You got two beasts to kill, so empty your gun
Oh good intention, they weren't enoughDon't you want to live a simple life?
You pray for a change before you turn out the lights
You burn a bridge every time it feels right
Don't want to forget where you're from?
Don't want to forget where you're from?You just want to live a simple life?
You pray for a change before you turn out the lights
You burn a bridge every time it feels right
Oh don't want to forget where you're fromYou just want to live a simple life?
You pray for a change before you turn out the lights
You burn a bridge every time it feels right
Don't want to forget where you're from?
Don't want to forget where you're from?
Don't want to forget where you're from?
