

Just Another Woman In Love

[Anne Murray](#)

I'm strong, I'm sure, I'm in control, a lady with a plan
Believing that life is a neat little package I hold in my hand
I've got it together, they call me
"The girl who knows just what to say and do"
Still I fumble and fall, run into the wall 'cause when it comes to you I'm just another woman in love, a kid out of
school
A fire out of control, just another fool
You touch me and I'm weak, I'm a feather in the wind
And I can't wait to feel you touching me again
With you I'm just another woman, just another woman in love So pardon me if I should stare and tremble like a
child
That wanting me look all over your face is driving me wild
I'm just what you make me, can't wait 'till you take me
And set all my feelin's free
I know that you can so come be my man, tonight I wanna be Just another woman in love, a kid out of school
A fire out of control, just another fool
You touch me and I'm weak, I'm a feather in the wind
And I can't wait to feel you touching me again
With you I'm just another woman, just another woman in love
