

Part of Your World

Jessie J

Look at this stuff
Isn't it neat?
Wouldn't you think my collection's complete?
Wouldn't you think I'm the girl
The girl who has everything? Look at this trove
Treasures untold
How many wonders can one cavern hold?
Looking around here you'd think
Sure, she's got everything I've got gadgets and gizmos aplenty
I've got whozits and whatzits galore
You want thingamabobs? I've got twenty! But who cares?
No big deal
I want more! I wanna be where the people are
I wanna see
I wanna see him dancing
Walking around on those
What do you call 'em again?
Oh, feet! Flipping your fins, you don't get too far
Legs are required for jumping and dancing
Strolling along down the
What's the word again?
StreetUp where they walk
Up where they run
Up where they stay
All day in the sun Wandering free
Wish I could be
Part of that world What would I give
If I could live
Out of these waters?
What would I pay
To spend a day
Warm on the sand? You betcha on land
They understand
Bet they don't reprimand their daughters
Bright young women
Sick of swimming
Ready to stand I'm ready to know what the people know
Ask them my questions and get some answers
What's a fire and why does it

What's the word?
Burn When's it my turn?
Wouldn't I love
Love to explore the shore up above? Out of the sea
Wish I could be
Part of that world
