

# A Foggy Day

## Dakota Staton

I was a stranger in the city  
Out of town were the people I knew  
I had that feeling of self-pity  
What to do, what to do, what to do  
The outlook was decidedly blueBut as I walked through the foggy streets alone  
It turned out to be the luckiest day I've knownA foggy day, in London town  
Had me low, had me down  
I viewed the morning, with much alarm  
British Museum, had lost its charmHow long I wondered,  
Could this thing last  
But the age of miracles, hadn't past  
For suddenly, I saw you there  
And through foggy London town,  
The sun was shining everywhereFor suddenly, I saw you there  
And through foggy London town,  
The sun was shining everywhereEverywhere  
Everywhere  
Everywhere
