One Man

Caroline Spence

[Verse 1]
Who are you to me?
And how will i know
You look me in the eye
I feel it in my soul
But im afraid to know you
Cause I've come to understand
That iâ€™ve got the kind of heart
That can spends itâ€™s whole life loving one man

[Verse 2]
And if we light the match
Somethings gonna spark
And its hard to put out
That fire in your heart
So darling here we go now
Your wish is my command
Cause iâ€™ve got the kind of heart
That can spend its whole life loving one man

[chorus]
And thatâ€™s all i need
Just one hand to hold
And thatâ€™s all i want
Just one love to grow old
And thatâ€™s all i need
Those are my demands
Cause iâ€™ve got the kind of heart
That can spend itâ€™s whole life
Loving one man

[verse 3]
And if that is simple
I guess im a simple girl
And iâ€™ve like to find someone
And make him my world
And now i know for certain
Now my heart is in your hands
Cause iâ€™ve got the kind of heart

That can spend its whole life
Loving this man

[chorus]
And thatâ€™s i all i need
Just your hand to hold
And thatâ€™s all i want
Just our love to grow old
And thatâ€™s all i need
Those are my demands
Cause I've got the kind of the heart
That can spend its whole life loving one man
Yeah iâ€™ve got the kind of heart that can spend itâ€™s whole life loving one man
