

# Last Waltz

## The Currency

Make me blind  
Cover my eyes  
You can do what you want  
I'm paralyzed by the perfect mood  
When we're dancing with blindfolds on  
You make it easy to love you and hate you  
I can't explain it, I feel insecure  
Say it simple: "You die just to live again."  
You say we're waiting for the last waltz

Another you and me  
Another revolutionary heavenly romance  
Waiting for the last waltz  
And so it seems  
We won't find the solution  
Confusion leads the dance  
We're waiting for the last waltz

Praise the wine  
So divine  
And it stings like a rose  
Allow the night to flow inside  
Open the window and let the wind blow  
Highlight of the night is the unhappy ending  
You keep refusing to answer my calls  
Drop the bending and stop the pretending  
You say get ready for the last waltz

Another you and me  
Another revolutionary heavenly romance  
Waiting for the last waltz  
And so it seems  
We won't find the solution  
Confusion leads the dance  
We're waiting for the last waltz

I believe that no one in this world has the answers for me  
But still I hope that someone has heard

Oh you and me

Another revolutionary heavenly romance

Waiting for the last waltz

And so it seems

We won't find the solution

Confusion leads the dance

We're waiting for the last waltz
