Back to Back

Pretty Maids

Ride
They came at dawn
into the morning light
black shadows ridin' on the mist
prepared for battle
swords were shinin' bright
filled with anger and harm
came to kill not to charmThe sound of metal
screamin' in the air
the time has come where justice rules
the endless victims
looking up in fear
now who were the fools[Chorus:]
Oh here they come
riders of the sun
and they will fight
back to back - back to backThey're fighting hard
their way of victory
dead bodies lying on the ground
they are the soldiers of eternity
and their swords spinnin' around[Chorus]They're fightin' with power, ready to ride let go[Solo]They got it all
they'll never fall
but they will fight
The night is fallin'
light will disappear
a magic silence fills the place
could read the warning
shinin' crystal clear
now they were lost for the chase[Chorus]
No - no - no - no
