

# Charro!

## Elvis Presley

With eyes that hide the man within  
You see behind the eyes of, other men  
You've lived and died and come to life again  
And now you standin' alone at the crossroads of your mind  
You've left your yesterdays behind  
But which road leads you to tomorrow?

Charro

You've turned your back on yesterday  
Betrayed a man who swore he'd make you pay  
For when you left you took his pride away  
You know he'll never let you break away so easily  
You'll have to fight, before you're free  
But how much more time can you borrow?

Charro

Now in a single moment your past grows dim  
One thought goes racing across your mind  
You ride to meet the woman you stole from him  
Oh no, Charro don't go

Charro don't go

There's something hanging, in the wind  
Your past is catching up and closing in  
You've been halfway to hell and back again  
And now you laugh in the devil's face with your last breath  
You'll run a race with life and death  
But will you live to see tomorrow?

Charro
