

# The Stars (Are Out Tonight)

David Bowie

Stars are never sleeping  
Dead ones and the living We live closer to the earth  
Never to the heavens  
The stars are never far away  
Stars are out tonight They watch us from behind their shades  
Brigitte, Jack and Kate and Brad  
From behind their tinted window stretch  
Gleaming like blackened sunshine Stars are never sleeping  
Dead ones and the living Waiting for the first move  
Satyrs and their child wives  
Waiting for the last move  
Soaking up our primitive world Stars are never sleeping  
Dead ones and the living Their jealousy's spilling down  
The stars must stick together  
We will never be rid of these stars  
But I hope they live forever And they know just what we do  
That we toss and turn at night  
They're waiting to make their moves  
For the stars are out tonight Here they are upon the stairs  
Sexless and unaroused  
They are the stars, they're dying for you  
But I hope they live forever They burn you with their radiant smiles  
Trap you with their beautiful eyes  
They're broke and shamed or drunk or scared  
But I hope they live forever Their jealousy's spilling down  
The stars must stick together  
We will never be rid of these stars  
But I hope they live forever And they know just what we do  
That we toss and turn at night  
They're waiting to make their moves on us  
But the stars are out tonight The stars are out tonight  
The stars are out tonight
