Louisville

Dwight Yoakam

I've been waiting here in Louisville
Lots of time to kill, waiting here for you
I've had to get a job in Louisville
Cause my hotel bill is six weeks overdueYou called to say you were leaving
That Kentucky was half away
I love this old river town but I never meant to stay
I've been waiting here in Louisville
You got until my bus leaves for L.A.Let's not fool ourselves there's something wrong
You don't belong to me now I can tell
Six long weeks it took, but it's a game
You never meant to come to LouisvilleYou come to see here believing
That Kentucky was half away
I love this old river town but I never meant to stay
I've been waiting here in Louisville
You got until my bus leaves for L.A.You come to see here believing
That Kentucky was half away
I love this old river town but I never meant to stay
Six long weeks this took but it's a game
You never meant to come here anywayI've been waiting here in Louisville
You got until my bus leaves for L.A.
You got until my bus leaves for L.A.
