Nobody

Hodges, James, Smith & Crawford

When life seems full of clouds and rain
I am filled with an awkward pain
Who soothes my achin', thumpin' brain?
Nobody
When winter comes with snow and sleet
I'm so tired with cold feet
Who says "Here's two bits Nina honey, go and eat"
Nobody
I ain't never done nothin' to nobody
And I ain't never got nothin' from nobody, no time
And until I get me somethin', yes, from somebody, sometime
Well, I don't intend to do nothin'
For nobody, no time
Now when winter comes all cool and clear
My friends they see me comin' near
Who says "Come on in child and have a beer"
Nobody
When all day long things go amiss
I go home to find some bliss
Who hands to me a glowing kiss?
Nobody
I ain't never done nothin' to nobody
And I ain't never got nothin' from no body, no time
And until I get me somethin', from somebody
Sometime I don't intend to do nothin'
For nobody, nobody, no time, no time
Nobody, no time
