

Forgive Me

Austra

What do I have to do to make you forgive me?
I wouldn't even tell the world if you could hear "I'm sorry"
What do I say to make it so you stayed around me?
What do I have to do, what will release me? You won't abandon where you aim
Someday I hope you'll change your hand
Hiding into the bed, below your sight
It was in your sight, I was another. What do I have to do to make you forgive me?
I wouldn't even dare the words if you could hear "I'm sorry"
What do I say to make it so you stayed around me?
What do I have to do, what will release me? How can I make you believe me?
I want you come mind me when I call out for
Please understand. What do I have? What do I have?
What do I have? What do I have?
What do I have? What do I have to do? What do I have to do to make you forgive me?
I wouldn't even tell the world if you could hear "I'm sorry" What do I have? What do I have?
What do I have? What do I have?
What do I have? What do I have?
What do I have? What do I have?
What do I have? What do I have?
What do I have? What do I have?
What do I have? What do I have to do?
