

Crazy or High (feat. Zakk Wylde)

Black Label Society

I thought I knew who you were
I thought I did, now I ain't so sure
I can't believe what I see
I take a look and I know what you need
Out of your mind
Oh, you must be crazy or high
Out of your mind
Oh, you must be crazy or high
Days have changed and rolled by
They are forever 'til the day that I die
You tried to kill me again
I feel no pain although the scars never mend
Out of your mind
Oh, you must be crazy or high
Out of your mind
Oh, you must be crazy or high, high
Out of your mind
Oh, you must be crazy or high
Out of your mind
Oh, out of your mind
Oh, you must be crazy or high
