It's Over Now

112

What is this numbers in your pocket
I remember when you used to throw those things away
Why do you wanna keep in touch now
Who gave you a reason to act so shadyBaby, you know you can call me anytime
Anything you needed I would give it to you
Ooh, that's how much I care for you
You wanna act nowNever call me back now
Turning off your cell phone
Girl, you know that ain't cool
Yes, I don't understand, baby, yeahBaby, it's a shame we gotta go through this
We can't even talk, girl, we don't even kiss
I never would've thought we'd be breaking up like this
But it's over now, it's over nowYou think that I don't know what's going on
Cause you're always home alone and I'm always out of town
You need to stop trying to play me
Cause you can't even fade me
I know you're messing around, babyBaby, you know you can call me anytime
Anything you needed I would give it to you
That's how much I care for you, baby
You wanna act nowNever call me back now
Turning off your cell phone
Girl, you know that ain't cool
Oh, I don't understand babyBaby, it's a shame we gotta go through this
We can't even talk, girl, we don't even kiss
I never would've thought we'd be breaking up like this
But it's over now, it's over nowBaby, it's a shame we gotta go through this
We can't even talk, girl, we don't even kiss
I never would've thought we'd be breaking up like this
But it's over now, it's over nowBaby, it's a shame, a shame that we go through
The things that we go through
When you're in love with me and I'm in love with you
I think that we should talk about our problems
Instead of running awayOh, baby it's a shame, we couldn't work it out
Forgot what love was all about
And the feelings we had from the start
My heart will always be with you, oh
Girl, it's a shameBaby, it's a shame we gotta go through this
We can't even talk, girl, we don't even kiss
I never would've thought we'd be breaking up like this

But it's over now, it's over nowBaby, it's a shame we gotta go through this
We can't even talk, girl, we don't even kiss
I never would've thought we'd be breaking up like this
But it's over now, it's over nowBaby, it's a shame we gotta go through this
We can't even talk, girl, we don't even kiss
I never would've thought we'd be breaking up like this
But it's over now, it's over now
