Duet

Drowning Pool

You're just the blood in my hand
You mean nothin', man
You're just the blood in my hand
You mean nothin', man, man, man
You're just the blood, blood
I can see the moon and I can see the stars
Even see the world except for where you are
Set fire my page, did you close the book?
Set fire my page with your sideways look
'Cause I hate you but I need you
I need you to let me go
This duet, let's do it
You're just the blood in my hand
This duet, let's do it
You mean nothin', man
It's duet, it's duet
You're just the blood in my hand
It's duet, it's duet
You're just the blood, blood
Just let me go
Like a bull in a china shop, hey
You leave me waitin', waitin' for the chaos to stop
What's wrong with you, there ain't no clue
Can't walk in my shoes when they're stomping on you
'Cause I hate you but I need you
I need you to let me go
This duet, let's do it
You're just the blood in my hand
This duet, let's do it
You mean nothin', man
It's duet, it's duet
You're just the blood in my hand
It's duet, it's duet
You're just the blood, blood

'Cause I hate you but I need you
I need you to let me go
'Cause I hate you but I need you
I need you to let me go, go

It's duet, it's duet
It's duet, let's do it
Every time you speak to me
Your words drenched in hypocrisy
And every time you look down on me
I feel no worth in what you see
And I feel no worth in what you need
And I feel no worth in what you see
This duet, let's do it
You're just the blood in my hand
This duet, let's do it
You mean nothin', man
It's duet, it's duet
You're just the blood in my hand
It's duet, it's duet
You're just the blood, blood
'Cause I hate you but I need you
I need you to let me go
'Cause I hate you but I need you
I need you to let me go, go
It's duet, it's duet
It's duet, it's duet
It's duet, it's duet
You're just the blood in my hand
It's duet, it's duet
It's duet, it's duet
It's duet, it's duet
You mean nothin', man
Ah, I need another drink
