

# Sally Ann

## Natalie Merchant

A woman of beauty  
A woman of pain  
In France or Jakarta  
Her shadow's the same  
You go home with Sally Ann  
You go home with Sally Ann  
You go home A woman of kindness  
With bracelets of jade  
In China, in Japan  
Choices are made  
You go home with Sally Ann  
You go home with Sally Ann  
You go home A woman of chances  
With no family or friends  
In Argentina  
She knows only men  
You go home with Sally Ann  
You go home with Sally Ann  
You go home A woman of color  
With debts to be paid  
In Trenton or Detroit  
She lives by the blade  
You go home with Sally Ann  
You go home with Sally Ann  
You go home with Sally Ann  
You go home with Sally Ann  
You go home with Sally Ann  
You go home with Sally Ann  
You go home
