

# Where Ghosts Fall Silent

## Evoken

Far within, when shall they return again?  
Above the whore, to outshine every brilliant ray.  
O see the face of disbelief.  
O see the face of hatred.  
Within it open into another world  
At length he who torments with a hollow groan. Each outcry does cease to sing  
Each outcry wounded in the wing.  
Each outcry I wander from here to there.  
Each outcry I frown upon the eyes that stare...
