

# Love Me In A Special Way

[Imx](#)

You knew you had me  
With your sensuous charm  
Yet you looked so alarmed  
As I walked on by  
In awesome wonder  
You had to know why  
I did not respond  
To carry on  
Love me in a special way  
What more can I say  
Love me now  
Love me in a special way  
What more can I say  
Love me now  
Love me now 'cause I'm special  
Not the average kind  
Who'd accept any lies  
That sound good  
So reach into your chain of thoughts  
Try to find something new  
What worked so well for you  
For me it just won't do  
Love me in a special way  
What more can I say  
Love me now  
Love me in a special way  
What more can I say  
Love me now  
Love me now  
You know girl  
I will always keep you close to my heart  
I wouldn't know what to do without you  
You know what I'm saying, baby?  
So reach into your chain of thoughts  
Try to find something new  
What worked so well for you  
For me it just won't do  
Love me in a special way  
What more can I say

Love me now  
Love me in a special way  
What more can I say  
Love me now  
Love me in a special way  
What more can I say  
Love me now  
Love me in a special way  
What more can I say  
Love me now
