

# Stone Cold

## Alisan Porter

Stone cold, stone cold  
You see me standing, but I'm dying on the floor  
Stone cold, stone cold  
Maybe if I don't cry, I won't feel anymoreStone cold, baby  
God knows I try to feel happy for you  
Know that I am, even if I can't understand  
I'll take the pain  
Give me the truth, me and my heart  
We'll make it through  
If happy is her, I'm happy for you  
Stone cold, stone cold  
You're dancing with her, while I'm staring at my phone  
Stone cold, stone cold  
I was your amber, but now she's your shade of goldStone cold, baby  
God knows I try to feel happy for you  
Know that I am, even if I can't understand  
I'll take the pain  
Give me the truth, me and my heart  
We'll make it through  
If happy is her, I'm happy for you  
Don't wanna be stone cold, stone  
I wish I could mean this, but here's my goodbye  
Oh, I'm happy for you  
Know that I am, even if I can't understand  
If happy is her, if happy is her  
I'm happy for you
