Bright Sunny Smiles

Television Personalities

There's me and there's Edward, there's Joe and there's Mark
We play in the garden and we stay out till dark
And we've all got bright sunny smiles
And we've all got bright sunny smilesThere's Brenda and Tracey and Lucy and Joy
They wear mother's make-up and talk about boys
And they've all got bright sunny smiles
And they've all got bright sunny smilesBut now we are grown up and life's not much fun
'Cause when we were children we sat in the sun
And we all had bright sunny smiles
And we all had bright sunny smilesSometimes we are happy, sometimes we are sad
When we think of the fun and the laugh that we had
Now it's so hard to find a bright sunny smile
It's so hard to find a bright sunny smile
