Traveler

Andy Snitzer

Creature, that howling in darkness
Winged monster
You know it came for me
Tearing apart my soul
From deepest parts of earth
I feel the Unholy
No prayer can save my soul and flesh
The Gate Outside are openedNow I'm gone and dead
The one beyond redemptionThe Passenger
The ancient Traveler
No Enki, nor MardukIn the light of JupiterNo muzzle can save me
Down to the underworld
From Alla Xul
Amongst venomous vitriollead: Mauser
Hideous bulksTorture my soul
Why I have become a part of this?
