

From Out Of Nowhere

Faith No More

Tossed into my mind, stirring the calm
You splash me with beauty and pull me down
 You come from out of nowhere
 My glance turns to a stare
Obsession rules me - I'm yours from the start
I know you see me - Our eyes interlock
 You come from out of nowhere
 My glance turns to a stare
One minute here and one minute there
 Don't know if I'll laugh or cry
One minute here and one minute there
 And then you wave good-bye...
Sifting to the bottom, every day for two
 All energy funnels, all becomes you
 You come from out of nowhere
 My glance turns to a stare
One minute here and one minute there
 Don't know if I'll laugh or cry
One minute here and one minute there
 And then you wave good-bye...
