

# Bad Days

## Ashes of Soma

I know you feel  
I like you better when you're gone  
(I like it better when you're gone  
I like it better when you)  
Sacrifice your time  
I don't care if I'm right or wrong  
(I like it better when you're gone  
I like it better when it's)Sad but true  
I'm just a liar like you, too  
I don't feel anything  
You almost had a chance  
Looks like I'm in this for myselfI had a bad day  
I lost it again  
Nothing goes my way  
Sometimes I feel like I'm losing myself  
You've taken everything awayI know you feel  
Like you're the only one  
(I like it better when you're gone  
I like it better when you)  
You play my game and you  
You're gonna lose it all(I like it better when you're gone  
I like it better when it's)Sad but true  
I'm just a liar like you, too  
I don't feel anything  
You almost had a chance  
Looks like I'm in this for myselfI had a bad day  
I lost it again  
Nothing goes my way  
Sometimes I feel like I'm losing myself  
You've taken everything awayYou almost had a chance  
Looks like I'm in this for myselfI had a bad day  
I lost it again  
Nothing goes my way  
Sometimes I feel like I'm losing myself  
You've taken everything  
(Nothing goes my way)I like it better when you're gone  
I like it better when you?
