

# Lilac Wine

[Katie Melua](#)

The tables are empty, the dance floor's deserted  
You play the same love song, it's the tenth time you've heard it  
That's the beginning, just one of the clues  
You've had your first lesson, in learnin' the blues  
The cigarettes you light, one after another  
Won't help you forget her, and the way that you love her  
You're only burning, a torch you can't lose  
But you're on the right track, for learnin' the blues  
When you're at home alone, the blues will taunt you,  
constantly  
When you're out in a crowd, the blues will haunt your memory  
The nights when you don't sleep, the whole night  
you're crying  
You just can't forget her, soon you even stop trying  
You'll walk the floor, and wear out your shoes  
When you feel your heart break, you're learnin' the blues
