Jimmy Choos

Rickie Lee Jones

O cherie
Come and take a ride with me
You just need to clear out your mind
O mon cher
Cuz I'll go with you anywhere
Can't we leave that demon behind?
YeahI know about the Motel 6
I know about the truckstop stations
I know about giving up on yourself
You don't have to tell me about giving up
But don't tarry in the street Pauline
Because the cops down here
They're cold and mean
If they see you up there on your hot tin roof
Throwing pop bottles at them
With your gold cap toothYou chipped it for your vampire smile
Can we leave all this beauty for a while
Just show them the Halston
They're gonna love that
Show us the HalstonAnd those Jimmy Choos
The Jimmy Choo shoes
The Jimmy Choos hey
The Jimmy Choo shoes yeah
I know about the Motel 6
I know about the truck stop stations
I know about giving up on it all
Tell me about giving upI like those Jimmy Choos
The Jimmy Choo shoes
The Jimmy Choos
Choo choo choos
The Jimmy Choo shoes
Choo shoes the choo shoes choo shoes
The Jimmy Choos
Choo shoes choo shoesThe choo choo choo shoes
Someone loves you tonight
Someone loves you tonight
Someone loves you tonight
Yeah
